

We are so excited to begin rehearsing this show. Our cast is fabulous! Please look all the way through the schedule. Consideration of listed conflicts was given and worked with when possible. Be on time to rehearsals and warmed up ready to use our time. A detailed costume, hair and makeup email will come out after costume fittings. All girls will need a white tank style leotard, pink tights, and pink ballet shoes. Boys will need black pants, black socks, a white long sleeved button up shirt, and black shoes. For party: Boys need a vest. Girls will need bloomers and a jewel toned Victorian style dress. The dress may not be modern, glittered or out of patterned fabric. It can have lace and ruffles. It can have a slip underneath to make it lift, whoever the slip needs to be appropriate so that the dancer can still dance full out and sit down. The Staulenbaum family in the show is dressed in blue, so absolutely no blue dresses or vests. Dresses need to be passed off to Nikkii. You can contact her through the remind system or 435-660-1986. All costume pieces will need to be to the theatre and stay there by Nov. 1.
